

MEMPHIS APPEAL.

ALBERT PIKE & CO.

Vera Aque Homesta Dicere.

For President of the United States,

ANDREW JOHNSON,

OF TENNESSEE.

Subject only to the decision of the National

Democratic Convention.

PLATFORM OF THE TENNESSEE

DEMOCRACY.

1st. The Conservative men of Tennessee,

putting aside all questions decided by

the war, accept the title of "Democ-

rats," and formally unite themselves

with the Democratic party as it now

exists.

2d. The question of the right of a

State to secede from the Union has been

decided by arms, and the result should

be accepted as final and conclu-

sive.

3d. Nevertheless, while the Constitu-

tion makes the Federal Government im-

pore, it is so only with well defined

limitations and restrictions, leaving the

States large rights and powers over their

domestic concerns, and making them co-

equal in respect of such rights; and

these rights have not been impaired by

the result of the war, and the powers of

the General Government are enlarged by

it, to the enlargement of public

liberty.

4th. The extinguishment of African

Slavery is recognized as a fact, ratified

by a binding Constitutional Amendment.

5th. The investment of negroes with the

right of suffrage, by the Congress of the

United States, and the disfranchisement

of white men, by the same authority, is

a gross usurpation of power, and a policy

unjust, unwise and oppressive, and tend-

ing to excite a war of races: the white

people of America are entitled to super-

iority and supremacy in the administra-

tion of the Federal and State govern-

ments; and any measure intended to

degrade them, or to divide or impair

it, greatly endangers the perpetuity of

free republican institutions.

6th. The Faith and Honor of the Nation

pledged to the payment of the national

debt, according to the terms of the laws

under which the bonds were issued, and

otherwise. The time of payment of the

bonds ought not to be extended; the

principal of the five-twenty bonds ought

to be paid in currency, and the money

granted to the National banks be with-

drawn.

7th. The Government bonds should be

taxed in the hands of the bondholders,

equally with other property.

8th. The doctrines and practices of the

Radical party, which endeavor, by en-

crushing upon the powers of the Execu-

tive and Judicial branches of the Gov-

ernment, to absorb the Executive and

Judicial Departments, and to destroy the

Government and the civil liberties of the

people.

9th. Equal and exact justice to all men,

of whatever State or persuasion, reli-

gion or political, peace, commerce and

friendship, should be maintained, and

tangling alliances with none; the sup-

port of the State Government in all

their rights, as in the case of the

ministration of the judicial concerns

and the strictest adherence to the

Constitution, and the preservation of

the Union, are the duty of every

citizen.

10th. Andrew Johnson, the first choice

of the Democratic party, and the only

candidate who has been elected by the

people, is the only man who can be

re-elected, and he is the only man who

can be elected by the people.

11th. The Democratic party, and the

only candidate who has been elected by

the people, is the only man who can

be elected by the people.

12th. The Democratic party, and the

only candidate who has been elected by

the people, is the only man who can

be elected by the people.

13th. The Democratic party, and the

only candidate who has been elected by

the people, is the only man who can

be elected by the people.

14th. The Democratic party, and the

only candidate who has been elected by

the people, is the only man who can

be elected by the people.

15th. The Democratic party, and the

only candidate who has been elected by

the people, is the only man who can

be elected by the people.

16th. The Democratic party, and the

only candidate who has been elected by

the people, is the only man who can

be elected by the people.

17th. The Democratic party, and the

only candidate who has been elected by

the people, is the only man who can

be elected by the people.

a question of fact.

sume we shall have a bumper crop of

this cold weather brings on frost.

Ohio, and entered the army from that

State.

—The special to the Louisville Journal

of the 21st inst. says: The Committee

is not in agreement on Bingham's

bill shutting out 25,000 Virginians who

have registered. It is thought, however,

that the measure will be passed through

Congress in spite of decency, and the

would-be decent Republicans. The Rad-

ical Virginia papers are not willing to

let the bill pass. It is a strange cir-

cumstance that to-day a bill to value

the Pacific Railroad from Atchison to

St. Louis, is being introduced.
